### SPONSORED CARE PROGRAMS

If you don't have enough health insurance to cover the services you have received or you have no health insurance and you meet certain low and moderate income requirements, you may qualify for MoGo Urgent Care's Sponsored Care or Discount Payment programs. These programs may cover all or part of the cost of services provided by MoGo Urgent Care.

**Sponsored Care** — This program may give you a discount of up to 100 percent on the services you received. To qualify, your gross family income must not be higher than 250 percent of the federal poverty level. You must submit tax returns or pay stubs to verify your own and your family members' income. You must also provide information and documentation about the value of your monetary assets and about any health benefits coverage you have.

Your new amount due would be equal to the amount MoGo Urgent Care would be paid for the same services by the most generous government health benefit program (such as Medicare) in which MoGo Urgent Care participates.
