AED TRAINING

Employees that work at an organization enrolled in Tyler Heart Institute's AED program can register to participate in free 45-minute online trainings. Learn what an AED is, when it should be used, who can use it, and how to use it. These trainings do not include CPR certification.

Visit montagehealth.org/aed-training for upcoming dates.

For large groups, call (831) 883-5665 or email monica.marrazzoalvarado@chomp.org to schedule an online training.
